DOCKETED

IN THE MATTER OF THE APPLICATION
OF SABROSA WATER CO. FOR A
PERMANENT RATE INCREASE

DOCKET NO. W-02111A-06-0361

APPLICATION OF TOWN OF
CAVE CREEK FOR EXTENSION
OF TIME

From February 1, 2005 through March 5, 2007, Global Water Resources ("Global") acted as interim manager of Sabrosa Water Co. ("Sabrosa") pursuant to a letter agreement entered into by the Utilities Division in accordance with Arizona Corporation Commission Decision Nos. 62572 and 63136. On March 5, 2007, the Town of Cave Creek ("Town ") assumed the interim management of Sabrosa under a letter agreement dated March 5, 2007.

Decision No. 69574 provides that Sabrosa file with the Commission a copy of its rates and charges, an affidavit that books and records are maintained in accordance with the NARUC Uniform System and Accounts, and plans to become compliant with TPT rules and laws, Maricopa County property tax rules and income tax rules for the period since Global's appointment as interim manager.

The Town has requested from Global the information concerning these matters during the period that Global served as interim manager but has not yet received that information. The Town is preparing a long term plan for water service to the Sabrosa service area and needs additional time in which to complete the plan and concurrently to comply with the requirements of Decision No. 68745.

WHEREFORE, the Town, as interim manager of Sabrosa, requests an extension of time within which to comply with the requirement of Decision No. 68745 to June 30, 2008.
